**Dnyanshree Institute of Engineering & Technology**  
 A/P:-SONAVADI-GAJAVADI, SAJJANGAD ROAD, TAL & DIST: SATARA

**Department of General Science and Humanities**

Question No. 1	The Course curriculum provides the Fundamental Knowledge
Question No. 2	The Course curriculum covers the computational and logical component/s.
Question No. 3	The course curriculum covers the practical component required for the development of skill sets.
Question No. 4	The course curriculum provides the foundation required for research , innovation , product of development abilities.
Question No. 5	The course curriculum increase environmental consciousness , importance of human and ethical values.
Question No. 6	The course curriculum provides the sufficient multidisciplinary aspects.
Question No. 7	The course curriculum covers required courses/subjects for Higher studies /Entrepreneurship/Employability.
Question No. 8	The course curriculum satisfies the CO's and PO's.

**Academic Year 2018-19**

**Action taken based on Students and Teachers feedback on Curriculum**

Sr. No.	Particulars	Recommendations based on feedback analysis	Actions Taken
1	1.solution of complex engineering problems.  2.Practical components in the curriculum	As FY B Tech courses are based on fundamentals of basic and Engineering Science. It is required to develop higher order thinking in students and improve psychometric skills.	inculcate Project based learning among students by organizing project exhibition and competition.
2	New Technological advances	Organize expert lectures from industry and field training	Plan Student Internship Activities

## INSTITUTE OF ENGINEERING AND TECHNOLOGY

Department of Computer Science and Engineering

Academic Year 2018-19

### Action taken based on Teachers feedback on Curriculum

Sr. No.	Particulars	Recommendations based on feedback analysis	Actions Taken
1	Foundation required for research, innovation, product development abilities	It is expected that course curriculum should provide the foundation required for research, innovation, Product development.	1. Guest Lecture was arranged on "Computer Networking" on 27 <sup>th</sup> Oct 2018. 2.
2	1. solution of complex engineering problems. 2. Computational components covered in the curriculum 3. Practical components covered in the curriculum	It is required to inculcate learning skills among the students like cognitive, Affective and psychomotor skills .	1. Tree Plantation Program was arranged on 02/08/2018. 2. National Youth Day was Celebrated on 12 <sup>th</sup> Jan 2019. 3. Softskills and Personality Development was organized on 22 <sup>th</sup> Feb 2019. 4. ASP.net of 5 <sup>th</sup> Feb 2019.
3	New Technological advances	Organize expert	1. Guest Lecture was

Submitted,

To,

The Principal

Dnyanshree institute of engineering & Technology,

Sajjangad Road Satara,

Respected sir,

Curriculum feedback from the teachers is taken for academic year 2018-19 Odd semester. Following points are mentioned for your perusal.

Analysis of semester wise syllabus is enlisted in the table below.

Sr. No.	Affiliated University	Semester	Percentage Feedback
1	DBATU, Lonere	III	77.14%
2	SUK, Kolhapur	V	75.83%
		VII	77.00%

- 1) Feedback given by teacher is more than 75.00%
- 2) Teachers are satisfied by the curriculum of Electronics & Telecommunication Engineering.
