Department of General Science and Humanities

Academic Year 2020-21

Action taken based on Students and Teachers feedback on Curriculum

Sr. No.	Particulars	Recommendations based on feedback analysis	Actions Taken
1	1. solution of complex engineering problems. 2. Computational components covered in the curriculum 3. Practical components covered in the curriculum	As FY B Tech curriculum is built on fundamentals of basic and Engineering Science. It is required to develop critical thinking and psychomotor skills among the students	1. Open ended problems in analytical courses. 2. Arrange extra lecture / remedial lecture to cover more computational components 3. Use of virtual laboratory and demonstration and animated videos of practical's
2	Foundation required for research, innovation, product development abilities	It is required to inculcate learning skills among the students like	1. Motivate students for registration of NPTEL /

		cognitive, Affective and psychomotor skills	<p>SWAYAM courses through institute domain</p> <ol style="list-style-type: none"> 2. Motivate students for Spoken Tutorial. 3. Motivated to students for the various certificated courses and internships
3	New Technological advances	Organize expert lectures from industry and field training	<ol style="list-style-type: none"> 1. motivate Students for online as well as physical Internship to improve skill development 2. Motivate students for making projects based on cross curricular subjects.

Curriculum Feedback Analysis

Year: 2020-21

Branch: Electrical Engineering

Type: Teachers Feedback

Semester: VIII

Teachers Feedback Analysis

- Fundamental Knowledge
- Computational and Logical Components
- Practical components required for the developemnt of skill sets
- Foundation required for Research, Innovation, Product development
- Environmental consciousness, importance of Human and Ethical values
- Multidisciplinary aspects
- Higher studies, Entrepreneurship, Employability
- Satisfaction of COs and Pos
- Admission counsling and Guidance
- Eco friendly Classrooms and Laboratories
- Canteen and Mess facilities
- Library and Reading room
- Medical, Common Room, Gymkhana and Transportation facilities
- Societal, Sports and Cultural activities
- Computing facilities
- Industry supported activities
- Student counsling, Mentoring, Career guidacneand Placement support
- Overall academic performance

Respected Sir,

Curriculum feedback from the teacher is taken for academic year 2020-21 Odd semester. Following points are mentioned for your perusal. Analysis of semester wise syllabus is enlisted in the table below.

Sr. No.	Affiliated University	Semester	Percentage Feedback
1	DBATU, Lonere	III	86.86%
		V	86.22%
		VII	86.24%

3) Feedback given by teacher is more than 85%.

4) Teachers are satisfied by the curriculum of Electronics & Telecommunication Engineering.
