About Us...

Raosaheb Wangde Master Charitable Trust, Mumbai was established under the leadership of Hon. Chairman Mr. Dnyaneshwar B. Wangde (Bhai) in the year 1994. The trust is known for its contributions in various sectors, majorly co-operative, education, health services and religious services. Various organizations are established under the umbrella of the trust and are successfully contributing for the development of the society.

Vision : Be a leading contributor for the betterment of the society forever.

Mission :

- To enrich lives of people through creation and development of essential facility, majorly in country side.
- To build sustainable livelihood of the people pertaining to education, skills and health.
- To inculcate values and ethical practices through organisation of various programs, events for enhancing societal responsibility.

Raosaheb Wangde Master Charitable Trust's **"Dnyanshree Institute of Engineering and Technology (DIET)"**, Sajjangad Road, Satara, a well-known Engineering Institute, was founded in the year 2012 by the Great Visionary Hon. Chairman Dnyaneshwar B. Wangde (Bhai). The Dnyanshree Institute is situated at the base of historic fort 'Sajjangad' and its campus is recognized for its pollution-free ambience. The surrounding natural landscape increases the beauty of the campus.

VISION :

Be a Center of Excellence in Engineering and Technological Education ever.

DEGREE MISSION :

For sustainable development of competent engineering professionals, institute missions are as follows:

- To increase the awareness of technical education among the rural society.
- To establish effective systems for quality education and supplementary skills for holistic development of engineering aspirants.
- To have conducive environment for research and innovation by building eco-systems.
- To inculcate the values through ethical and professional practices in real life for development of socially responsible engineering graduates.

DIPLOMA MISSION :

For sustainable development of competent diploma engineering professionals, institute missions are as follows:

- To increase the awareness of technical education among the rural society.
- To establish effective systems for quality education and supplementary skills for holistic development of engineering aspirants.
- To have conducive environment for Industry Institute interaction by building eco-systems.
- To inculcate the values through ethical and professional practices in real life for development of socially responsible diploma engineering professionals.

Chairperson's Forewords...

Greetings,

It gives me an immense pleasure to express my sincere views in front of you.

I strongly believe that personality is the true representation of a person's inner thoughts. Visionary thinking, desire with devotion, and ethical accomplishments of the life missions are the major attributes of the personality. All these accomplishments should be beneficial to the society at large.

I am proud to be a successor of spiritually cultured Wangde family. I am always influenced by honest and painstaking efforts of my inspirations Late Shri.Raosaheb Bhausaheb Wangde (Master) and Late Shri.Bapusaheb Ramchandra Wangde towards development of the society. The Raosaheb Wangde Master Charitable Trust (RWMCT) was founded in the year 1994 by taking accountability to enlarge the domains of great efforts of both inspirations. The RWMCT is providing financial support, disseminating education in remote areas, supporting the orphan students, providing health-related services, and organizing various social events etc. The Bhai Wangde foundation is also equally functioning to fulfil the missions of Wangde family.

In today's emerging scenario, technological education is an important step for the holistic development of students. RWMCT's Dnyanshree Institute of Engineering and Technology (DIET) is one of the real-world ethical accomplishments of the RWMCT. Dnyanshree Institute is continuously developing the students by promoting human values. This is making them the responsible elements of the society. The conducive environment, strategically planned efficient teaching-learning processes, state of the art facilities, constant efforts towards research and skill developments, moral building programs and activities, social activities, sports and cultural activities, industry support, training and placements, etc. are the backbones of the Valued Education imparted at the delightful campus of the DIET.

We always welcome all aspirants to become an ethical and cultured technocrat through Dnyanshree Institute of Engineering and Technology.

Thank you.

Mr. Dnyaneshwar B. Wangde (BHAI)
Founder & Chairman

Greetings,

A warm welcome to you all to a pleasing Campus of the College.

This distinguished campus is a result of the creative thinking and contributions of the Management under the visionary leadership of Hon. Chairman Mr. Dnyaneshwar B. Wangde (Bhai). The campus is situated on the western side of the Satara city. Satara, a historical city, is about 100 km away from Pune city in western Maharashtra.

Imbibing knowledge based skills in ethical manners is always the key to face contemporary global challenges. The painstaking efforts of the Institute are nurturing the young aspirants efficiently and with worth education, Strategically devised pedagogical and supporting activities in liason with esteemed stake holders are resulting into inking of the various 'Memorandum of Understandings of the College with renowned educational institutes, industries, social organizations, bodies and clubs etc. Various Industries are sponsoring laboratory set-ups. Teachers and students are continually developing laboratory equipment, kits, trainers, set-ups etc. at the Institute. The 'e-Yantra' robotics laboratory, Centre of Excellence, and Dnyanshree Ignite etc. are some of the noteworthy resources at the Institute, ICT powered teaching and learning through exceptionally well ICT infrastructure helping students to interact with well qualified and experienced faculty impeccably. Such all resources are proving useful to the career development of the students at the institute. The College is consistently focusing towards the holistic development of students and shaping them to become a competent engineer.

The truthful and genuine efforts of Management, Faculty members, Staff, Students, Alumni, and other Stakeholders are justified by the memorable achievements of students and alumni in various domains. Institute is accredited by NAAC as a receipt of these.

I wish every success to all and appeal to experience these endeavors.

Thank you.

Prof. Dr. Ajay Dadasaheb Jadhav

- B.E. (Electronics), M.E. (Electronics Engineering)
- Ph.D. (Electronics Engineering)
- LMISTE, LMISI
- Experience : 37 Years
(R & D Engineer, Consultant & Teaching)
- 50+ Research Publications
- Two Utility Patents Granted
- **Former Member**, Academic Council, DBATU, Lonere
- **Former Member**, Academic Council Sharad Institute of Technology' COE, Ichalkaranji.
- **Former Member**, Board of Studies, KIT College of Engineering (E&TC) Engineering, Kolhapur
- **Approved Ph.D. Guide**

Salient Features...

Curricular & Co-Curricular :

- Well Equipped & Industry Supported Modern Laboratories
- Career Counselling and Student's Mentoring
- Students' Clubs and Chapters
- Central Computing Laboratory
- Central Library with Digital Facilities
- Spacious Reading Hall
- Drawing Hall
- Tutorial Rooms
- Civil Engineering Workshop
- Mechanical Engg. Workshop
- Electrical Engg. Workshop
- Experienced Faculty & Staff
- Language Laboratory
- Departmental Libraries
- Sound Academic Monitoring Mechanism
- ICT Based & Ergonomically Designed Classrooms
- Industry-Institute Interaction Cell
- Workshops and Value added Training.
- Material Testing Centre

Supporting Facilities :

- Incubation Centre
- Spacious Auditorium
- CCTV Surveillance Systems
- Institute Transportation Facilities
- Power Generator / UPS Facilities
- Solar & Wind Power Generation
- Gymkhana & Gymnasium / Yoga Training
- Modern ICT Facilities
- Medical Facilities
- Fire Safety System
- Food & Cafeteria
- Playground

Extra Curricular :

- Sports activities & Competitions
- NSS Activities
- Sensitization through Societal Activities
- Techno-Cultural Activities & Competition
- Alumni Meet

Training & Placements :

- Technical Trainings
- Aptitude Trainings
- Soft Skills Trainings
- Placement Trainings

Skill Development...

Dnyanshree Ignite Incubation Centre

- Startup Promotion
- Innovation Support

In House Laboratory Trainers Developments In

- Hydraulic laboratory
- Physics Laboratory
- Pneumatic Laboratory
- Electrical Workshop & Machines

Technical Events & Value Added Programmes

- Dnyanavishkar : State Level Project Exhibition / Competition
- Paper Presentation
- Seminars, Guest Lectures, Trainings
- Technical Paper & Model Presentation
- Workshop on Drone Technology, Product Design & Development, LaTeX, Analog Circuits Design, Research Funding Schemes / Agencies etc.
- Value Added programs on PLC programming, Designing and modelling using solidworks, STAD ProV8i software, Web development, React JS, Amazon Web Services, Design of Mechatronics systems, Industrial & Commercial Applications of Programmable Logic Controller, PCB Designing Using Proteus etc.

Memorandum of Understanding:

- Microcraft Enterprises Pvt. Ltd.,
- SPION NDT and Engineering Pvt. Ltd.,
- Red Hat Linux Academy
- Apron Tech Technologies
- Shree Dhananjay Electrical
- Square Wave Automation Technologies Pvt.Ltd.,
- Sai Industries, Satara
- PreciTech Engineering, Pune
- Abhijat Equipments Pvt. Ltd., Satara
- Sachita Pratisthan Baramati
- Smart Logic Technologies, Pune
- Supertech Technologies
- Shashwatgyan Learning & Development, Pune

NEP Awareness...

Industry - Institute Summit Workshop:

- Establishment of NEP Cell
- Short Term Training Program on "National Education Policy 2020"
- Seminar on Research for Educational Development
- Curriculum analysis and suggestion to DBATU through Advisory Boards.
- Implementation of Project based learning, Practical based learning.

Techno Cultural Events...

Inaugural Function Dnyanavishkar 2024

Dnyanavishkar : **(A Technical Festival)**

- Emphasizing on students' technical knowledge and skills.
- Nurturing technical skill developments and innovation among students.
- Industry-supervised competitions to enhance real-world problem-solving abilities.
- Building a collaborative community between students and professionals.
- Events: Contraption, Program Building, Model Developing, Circuit Designing, Robo Race, Technical Quiz etc.

Project Exhibition

Dnyanotsav Performance

Dnyanotsav : **(Cultural Extravaganza)**

- Promoting the rich heritage of our nation through students' performances.
- Celebrating cultural heritage and student talent
- Cultivating a vibrant and collaborative community through diverse cultural activities.
- Recognizing and rewarding excellence in various cultural domains.
- Activities: Art, Literature, Dance, Drama, Music, Elocution, Rangoli, Debate, Funfair etc.

Sports...

Dnyanshree Krida Mahotsav : (Annual Sports Competition)

- Promoting physical fitness and sports excellence
- Motivating students to compete and succeed at higher levels
- Cultivating a resilient and competitive attitude in students.
- Gymkhana with indoor and outdoor games facilities: Table Tennis, Chess, Carom, Football, Cricket Ground, Volleyball Court, Kho-Kho Court.

Internal Quality Assurance Cell (IQAC)...

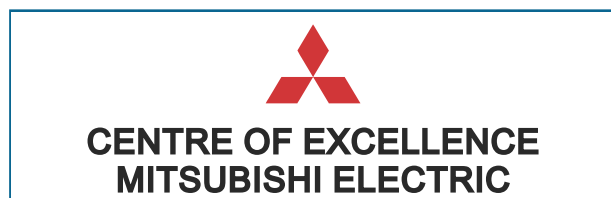

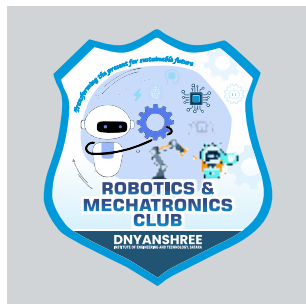

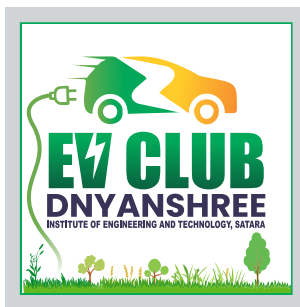

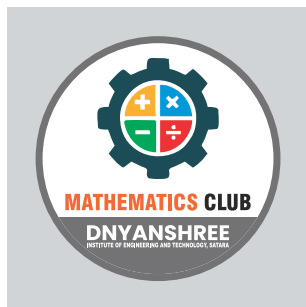

Project-Based Learning at Dnyanshree Institute of Engineering & Technology:

- Applying engineering knowledge to address societal issues, fulfilling industrial needs, supporting agricultural development, and driving technological advancements.
- Projects are identified across various domains, with problems clearly formulated.
- Projects are assessed through a continuous evaluation mechanism.
- "Matrix" open project competition exhibits more than 100 projects annually.
- Developing indigenous solutions in areas such as energy harvesting, agriculture, electric vehicles, 3-D printing, software development, and model development.
- Emphasizing Sustainable Development Goals (SDGs) in project-based learning to foster innovation and practical solutions for global challenges.
- Achieving recognition through national-level prizes, technical paper publications, patents, incubation efforts, and entrepreneurship.

Proud to be DIETan...

As an alumna of dnyanshree, I can confidently say that my time at this esteemed institution has been transformative. Dnyanshree institute not only equipped me with the technical skill necessary for my career but also installed in me a sense of discipline, perseverance, and innovation. The vibrant campus culture, dedicated faculty, and state of the art facilities provided me with an environment conducive to learning and personal growth. Today as I look back on my journey, I am grateful for the valuable education and experiences gained at dnyanshree institute, which continues to shape my professional trajectory...

- **Mr. Udaykumar Mane** (Mechanical Engineering, Batch 2022-23)

Position : Design Engineer, Walchandnagar Industries Ltd.

I express my gratitude towards Dnyanshree Institute of Engg and Technology for building my career and enabling me to establish a place in engineering world, and refine my technical proficiencies. My overall experience at Dnyanshree Insititute was very good and exceeded my expectaions. Staff of institute is helpful. What I like the most is environment of the institute. I am grateful to the faculty members and placement officer for their support and guidance throughout my academic journey which helped me to secure placement at MAN T & B India Pvt. Ltd. I had amazing time at institute and has been fulfilling and rewarding, and I highly recommend this institution to anyone seeking to pursue their higher education.

- **Ms. Vaishnavi Ware** (E & TC Engineering, Batch : 2022-23)

Position : R & D Engineer, MAN T & B India Pvt. Ltd

Dnyanshree institute is not a just college for me, it is my family. I learned a lot of things in this college, with the cooperation of everyone. Dnyanshree has played very big role in this Build of my carrier. One more thing institute Teachers or any other staff members or chief members of Dnyanshree College as well, all of them guide every student from time to time... Academics are absolutely great but along with cultural activities, sports, seminars, and most importantly the Training & placement department of the college works very hard & well. We all miss our Dnyanshree, We love you Dnyanshree..

- **Akshay Girge** (Electrical Engineering Batch : 2022-23)

Position : R & D Engineer, Bridgestone ltd.

Hello I am Prathmesh Bodhe passed out from Batch 2023 as electronics and telecommunications engineer. In college days as electronics engineers our main goal was to get placed in Core product based company to achieve that, our all teachers always supported me by giving guidance from basic fundamentals of electronics till my final year project. For me Extracurricular activities are most favourite thing in my college days which helped me to build my interpersonal skills. One to one learning, product based learning, market scenario understanding all these points were discussed with us by our teachers in day to day life in Dnyanshree which helped me to get my dream job as start of the career. I will be always thankful to Dnyanshree to give me a right path in the career kick off phase."

- **Prathamesh Bodhe** (E & TC Batch : 2022-23)

Position : R & D Engineer, MAN T & B India Pvt. Ltd

Admissions at Dnyanshree...

ADMISSION PROCESS :

For First year / Direct Second year Engineering regulation of admissions and admission process visit the following websites.

<http://www.dtemaharashtra.gov.in>

<http://cetcell.mahacet.org>

Students are requested to visit above website for details and in case of any doubt or assistance, feel free to call us.

Required Documents :

- SSC Mark Sheet
- HSC Mark Sheet
- School Leaving/ Transfer Certificate
- CET/JEE Score Card
- Nationality/ Domicile Certificate
- Caste Validity Certificate (if Applicable)
- Non-Creme layer Certificate(if Applicable)
- EWS Certificate (if Applicable)
- Income Certificate
- Caste Certificate (if Applicable)
- Photo & Aadhar Card
- For Special Category Respective Documents are Required

Programmes Offered...

BHAI WANGDE
FOUNDATION

मा. भाई वांगडे फाऊंडेशनची उद्दिष्टे

- * अभियांत्रिकी, वैद्यकीय तसेच कला, विज्ञान, वाणिज्य आणि व्यवस्थापन महाविद्यालयातील होतकरू, हुशार विद्यार्थ्यांकरिता शिक्षणासाठी लागणाऱ्या मूलभूत सोयी व सुविधा पुरविणे.
- * महाविद्यालयामध्ये शिकणाऱ्या विद्यार्थ्यांसाठी विविध उपक्रमांद्वारे (कार्यशाळा, सेमिनार, संभाषण कौशल्य इत्यादी) व्यावसायिक व्यासपीठाची ओळख करून देणे.
- * महाविद्यालयामध्ये असणाऱ्या ग्रंथालयातील विविध विषयांवरील पुस्तकांमधून तसेच माहिती व तंत्रज्ञानाचा वापर करून इंटरनेटद्वारे लोकप्रिय प्राध्यपकांचे, संशोधकांचे शोधनिबंध वाचून, तसेच वेगवेगळ्या प्रबंधांचे माहितीपूर्ण अभ्यास करून विद्यार्थ्यांना स्वतःचे शोध, निबंध लिहण्यास प्रोत्साहित करणे.
- * महाविद्यालयामध्ये शिकणाऱ्या तरुण हुशार, होतकरू व गरजू विद्यार्थ्यांकरिता शिष्यवृत्ती तसेच अर्थसाहाय्य, त्याचप्रमाणे विद्यार्थ्यांना संशोधनामध्ये प्रोत्साहित करण्याकरिता वेगळी बक्षिसे.

मा.भाई वांगडे फाऊंडेशन सहाय्य

- * ज्ञानश्रीमध्ये प्रवेश घेणाऱ्या विद्यार्थ्यास शिक्षणासाठी आर्थिक सहाय्य (आन्तापर्यंत २८०० + विद्यार्थ्यांना लाभ).
- * ज्ञानश्री डिप्लोमा इंजीनिअरींगमध्ये प्रवेश घेणाऱ्या विद्यार्थ्यांना कमीत कमी फीमध्ये शिक्षण.
- * ज्ञानश्री डिग्री इंजीनिअरींगमध्ये प्रवेश घेणाऱ्या विद्यार्थ्यास विशेष अर्थ सहाय्य.
