Alumni Interaction Meet Report

- **Objectives of Event**

1. To build platform for an interaction between present and past students (our alumni).
2. To foster a long way attachment with alumni of present students to provide opportunity in various organizations.
3. To have keen, delightful communication of staff members with alumni involvement in future.
4. To raise new idea, innovations, different learning methods with collaboration, to route budding engineers for thinking out of box, moreover enhancing the overall progress and growth of institute.

- **Outcomes of Event**

After completion of alumni meet, Alumni will able to

1. Interact with faculty and students and share their knowledge and experience.
2. Convey about resent/current opportunities available in industry.
3. Support in development of department like guest lecture, industrial visit, workshop, etc.
4. Sign MOU with their employers and conduct collaborative activity under MOU.

- **Description**

Dr. Babasaheb Ambedkar Technological University, Lonere, Dnyanshree Institute of Engineering and Technology Satara, Electrical and Electronics & Telecommunication Engineering Department has organized an Alumni Meet on 02nd September 2023 at 10:00 AM.

In this event, total 14 students have participated. Some of alumni placed in core and IT industries and some of alumni are Entrepreneurs. Alumni interact with student and faculty regarding placement and business opportunities, market need, preparation for placement, scope of core engineering field and skill development which is benefitted to current students. Alumni support to department for organizing workshop, training session on recent trends and Industrial Visit which help students in future to getting place in MNC and start their own business.
